

150m of 4-core single-mode optical cable

Overview

Material: High-quality TPU Jacket with 1000DEN Aramid Yarn Design and Style: Flexible Stainless Steel Tube with 4.5mm Outer Diameter Performance: High Compression and Impact Resistance, Anti-bug Properties Type and Category: EL Products, Optical Fiber Cable Usage and Purpose: Extension for LC-LC. Pre-terminated Fiber Optic Cable is a handy and effective option enabling data transmission over fiber without complicated field termination. Simply plug the cables to single mode fiber port and several high speed fiber optic links between two distance locations can be generated by spending far. Haile Single-mode 4-core outdoor field fiber optic cable with a 5.0mm diameter, model 4FC-FC-SY150, is designed for rugged outdoor use and field training applications. By transmitting power and data over a single cable pull, they also eliminate the need for a local power source.
