

Argentine indoor optical cable supplier

Summary of Content

Key Argentine manufacturers and suppliers of indoor optical cables include FIBROMARKET, Comunitel, Horizon, and several verified importers listed on ExportHub and Panjiva.

Leading Manufacturers

- **FIBROMARKET ARGENTINA:** Specializes in optical fiber telecommunications networks, offering indoor fiber optic cables, structured cabling, and network solutions. They provide technical support, training, and engineering services for both public and private projects, ensuring robust connectivity for medium and large-scale installations .
- **Comunitel:** Focuses on Fiber to the Home (FTTH) networks and indoor fiber optic solutions. Comunitel emphasizes innovation, technical support, and training, particularly for underground and indoor network deployments .
- **Horizon:** Exclusive distributor of FiberHome in Argentina, offering hybrid optical/electric cables suitable for indoor applications. They provide design services, technical consulting, and certification for FTTx networks .

Importers and Suppliers

- **ExportHub:** Lists Argentine indoor and outdoor fiber optic cable importers, providing quotations and supplier contacts for businesses seeking local distribution partners .
- **Panjiva:** Offers a database of Argentine fiber cable manufacturers and suppliers, including verified vendors and trade data to help identify reliable partners for indoor optical cable procurement .
