

Australian cable tray manufacturer

Summary of Content

Leading cable tray manufacturers in Australia include EzyStrut, Burndy CSS, Ozstrut, ACURA Group, and Ferrotech Pacific, offering durable, compliant, and customizable solutions for industrial and commercial projects.

Top Manufacturers and Their Offerings

EzyStrut is one of Australia's most prominent cable tray manufacturers, with over 35 years of experience. They provide a wide range of products including ladder trays, solid-bottom trays, and wire mesh trays, suitable for mining, telecommunications, and construction sectors. Their trays are designed for durability, versatility, and compliance with Australian standards, and they offer customization for high-volume or specialized projects . Burndy CSS (Cable Support Systems) specializes in cable trays for extreme environments, such as high temperatures and corrosive conditions. Their products are ideal for oil and gas, mining, and power generation industries. Burndy CSS offers both standard and custom trays, ensuring flexibility, ease of installation, and long-lasting performance . Ozstrut provides a variety of cable trays for commercial and industrial installations, including perforated trays, T3 trays (medium-duty, fire-rated), and T5 trays (heavy-duty). Their products are known for fast installation, reliability, and compliance with Australian standards, making them suitable for diverse electrical projects . ACURA Group supplies cable support systems including cable trays, ladders, and mesh baskets. They operate in Adelaide and Perth, offering solutions for commercial and industrial construction projects with a focus on quality and local support . Ferrotech Pacific is another supplier of cable trays in Australia, with a warehouse located in Bangholme, Victoria. They provide a range of cable management solutions for industrial and commercial applications .
