

Bahamas sells 4-core fiber optic cable

Summary of Content

4-core fiber optic cables are available in the Bahamas through local distributors and major fiber internet providers like Nassau National Cable, BTC, Cable Bahamas, and ALIVFibr.

Local Distributors and Suppliers

- Nassau National Cable is a trusted distributor of industrial and commercial wire and cable, including fiber optic cables. They offer worldwide shipping and competitive pricing, making them a reliable source for 4-core fiber optic cables in the Bahamas .
- BTC (Bahamas Telecommunications Company) provides fiber internet services using fiber optic cables, offering high-speed symmetrical connections up to 1 Gbps. While primarily a service provider, BTC may supply fiber cables for installation projects or business solutions .
- Cable Bahamas / ALIVFibr operates a nationwide fiber network and offers FTTH (Fiber to the Home) services. They have extensive experience with fiber optic infrastructure and may provide cables and installation services for residential or commercial projects, particularly in New Providence and Abaco .

Considerations for Purchasing

- Cable Type: Ensure the 4-core fiber optic cable meets your project requirements, including indoor/outdoor use, single-mode or multi-mode, and bandwidth capacity.
- Installation Services: Many providers, such as BTC and ALIVFibr, offer professional installation, which can simplify deployment and ensure optimal performance.
