

Bahrain wholesale price for linear drive pluggable optical SFP

Summary of Content

Wholesale prices for pluggable optical SFP modules in Bahrain typically range from \$50 to \$200 per unit, depending on type, distance, and brand.

Overview of SFP Modules in Bahrain

Pluggable optical SFP modules are widely used in Ethernet, telecom, and industrial networking applications. They come in single-mode and multi-mode variants, supporting distances from 300 meters to 40 kilometers and data rates from 1 Gbps to 10 Gbps . Popular brands available in Bahrain include TP-Link, Huawei, and Cisco, with modules featuring LC connectors, hot-pluggable interfaces, and compliance with SFP+ MSA standards .

Price Range

- Entry-level multi-mode SFP modules (short-range, up to 300m) are generally priced around \$50-\$80 per unit in Bahrain .
- Single-mode SFP modules for longer distances (up to 20-40 km) typically cost \$100-\$200 per unit, depending on brand and specifications .
- High-performance or 10G SFP+ modules may exceed \$200 per unit, especially for enterprise-grade or industrial applications .

Suppliers and Importers

Bahrain has a robust network of SFP module importers and distributors:
