

Benin Explosion-proof Distribution Box Factory

Summary of Content

Reliable explosion-proof distribution box manufacturers serving Benin include Warom Group and suppliers listed on B2B platforms, offering certified enclosures for hazardous industrial environments.

Key Manufacturers and Suppliers

Warom Group specializes in explosion-proof electrical equipment, including distribution boxes, control equipment, and lighting fixtures. Their products comply with international standards such as IEC, ATEX, and IECEx, making them suitable for hazardous locations in petroleum, chemical, marine, and mining industries. Warom offers a range of enclosures, including empty boxes and fully integrated systems, with high-performance safety features for industrial automation and electrical control systems. SEXESW (Shengyi Explosion-Proof) provides a variety of explosion-proof distribution boxes engineered for Zone 1/2 gas (IIA-IIC) and Zone 21/22 dust environments. Their SEM(D) and SEXC series feature dual-structure safety, multi-circuit chambers, and robust materials such as stainless steel, carbon steel, and fiberglass-reinforced polyester. These enclosures are certified under GB/T3836 and IEC/EN60079 standards, ensuring compliance with flameproof and increased-safety requirements. B2B Market Listings: Europages lists over 30 companies and suppliers offering professional explosion-proof distribution boxes that can serve clients in Benin. These suppliers provide custom-sized enclosures, lightweight metal packaging, and components suitable for industrial applications.
