

Cambodian power distribution box manufacturer

Summary of Content

Key manufacturers of power distribution boxes in Cambodia include GV Industries, ATS Solutions, MAUSO Co., Ltd., and EEPS Co., Ltd., offering both standard and customized electrical distribution solutions.

GV Industries Sdn Bhd

Based in Phnom Penh, GV Industries specializes in manufacturing cabinets and metal enclosures for industrial automation, networking, telecommunication, and power applications. They provide Power Distribution Units (PDUs) such as the 6 Gang IEC320 C13 PDU with 16Amp DP MCB, and offer fast service and high-quality equipment racks and enclosures suitable for industrial and commercial use .

ATS Solutions

ATS Solutions is a leading Cambodian electrical and automation solutions provider established in 2007. They design, supply, and manufacture customized electrical distribution and automation systems according to international standards. Their services include engineering support, system integration, and project-specific solutions for energy distribution, making them a reliable partner for complex installations .
