

Complete List of Indoor Distribution Box Product Models

Overview

This document provides specifications for various distribution boxes including dimensions, mounting sizes, and number of ways. MARECHAL® electrical enclosures are designed for low voltage electrical installations. They are designed and manufactured to be installed in extreme environments and offer a high degree of modularity to meet a wide range of applications. Britanic Cabling Production fibre optic distribution and termination boxes for indoor use provide easy access and distribution. The VX25 and TS 8 baying enclosure systems and SE system enclosures feature an engineered frame section that enables interior installation on two mounting levels to optimize usable space. Suitable for circuitry in homes, offices, commercial setups and.
