

Direct Sales of Molded Cable Trays from Sudan

Summary of Content

Molded cable trays in Sudan are available directly from manufacturers like Brilltech Engineers Pvt. Ltd and Cable House, offering customized solutions for industrial and commercial applications.

Key Suppliers and Manufacturers

- Brilltech Engineers Pvt. Ltd Brilltech is a leading supplier and manufacturer of cable trays in Sudan, including galvanized, PVC, perforated, and ladder cable trays. They provide customized molded cable trays tailored to specific dimensions, materials, and load requirements. Their products are widely used in electrical, construction, and automotive industries due to their durability, corrosion resistance, and robust structure. Brilltech also offers timely delivery and after-sale support, making them a reliable choice for bulk orders or specialized projects in Sudan .
- Cable House Established in 1983, Cable House manufactures and supplies a wide range of cable trays, including molded and industrial-grade trays. They provide customized solutions to meet client specifications and are recognized for high durability and sustainable performance. Customers can place direct orders via email or phone, and the company supports both national and international deliveries .
- Other Suppliers Additional suppliers in Sudan offer a variety of cable tray products, including cable ladders, trunkings, and GRP/FRP trays. These suppliers cater to residential, commercial, and industrial sectors, providing options for custom sizes, materials, and finishes .
