

Finland's Leading Electrical Distribution Box Suppliers

Summary of Content

UTU Group, Alfen Elkamo, Insta, EFC, and TAS-Power are leading Finnish manufacturers of electrical distribution boxes and related systems.

UTU Group

UTU Group is a Finnish family-owned company founded in 1919 in Pori. They manufacture standardized distribution boards, construction site and temporary distribution boxes, main distribution boards, consumer units, multi-meter panels, and EV charging distribution boards. Their products are designed to withstand harsh Nordic conditions and include enclosures, modular protection devices, and accessories for electrical distribution and automation .

Alfen Elkamo

Alfen Elkamo specializes in medium- and low-voltage switchboards, transformer substations, and electricity distribution systems for industrial and utility applications. They collaborate closely with grid operators and provide solutions for sustainable energy integration, including solar and wind power. Their expertise includes both industrial and building infrastructure distribution systems .
