

Free quote for 1 6T optical amplifier in Ireland

Summary of Content

You can request a free quote for a 1.6T optical amplifier in Ireland directly from suppliers like Swedish Telecom Opto, FiberMall, or local marketplaces such as DoneDeal.

Supplier Options

- Swedish Telecom Opto offers the 1.6T-DR8 OSFP224 optical transceiver, suitable for high-speed Ethernet and InfiniBand applications. They provide volume orders and custom tuning, and you can request a quote via email at sales@swedishtelecomopto.com.
- FiberMall supplies 1.6T OSFP-XD DR8 PAM4 optical transceivers with a maximum transmission distance of 2 km. They emphasize quality control and compatibility testing, and you can contact their sales team for a quote.
- Amphenol provides 1.6T OSFP transceivers with DR8 MPO-16 configurations, compliant with OSFP MSA and IEEE standards. They offer flexible high-performance solutions for data center networks, and inquiries for pricing or quotes can be made through their website.
- NADDOD stocks 1.6T InfiniBand XDR transceivers and DAC/AOC cables, tested for low BER and latency. They provide options for both 1.6T and 800G solutions, and you can request a quote for specific configurations.
- DoneDeal Ireland lists optical amplifier ads locally, which may include used or new equipment. You can contact sellers directly to request pricing and availability within Ireland.
