

Gulf Region PoE Switch 200G

Overview

DIS-200G-12PSW D-Link 12-Port Gigabit Smart Managed Industrial PoE Switch-Wide Temp-240W PoE Budget The DIS-200G Series supports ERPS quick failover recovery for ring topologies that ensures minimal downtime and avoids any loss of data in mission-critical deployment settings. Featuring management interfaces, including an industry-standard CLI, and Web-based UI, the DIS-200G Serie is easy to manage and provides the controls to help protect and shape your network. Designed with 8 x 10/100/1000Base-T PoE ports, 2 x 10/100/1000Base-T ports, and 2 x SFP ports to suit a range. Designed to meet surveillance requirements for businesses of all sizes, with features like support for high-powered PTZ cameras, high PoE budgets, Auto Surveillance VLAN, and surge protection, these switches are ideal for IP surveillance setups. Connect and power cameras up to 250 metres away. The high electromagnetic compatibility (EMC) protects the DIS-200G Series from unwanted effects when operating in environments with strong electromagnetic interference. operate in a wider temperature range of up to 65 °C. For increased flexibility, the DIS-200G Series can be mounted on a DIN rail. The DIS-200G Series Layer 2 Gigabit Industrial Smart Managed Switches are equipped with 8 PoE-capable 10/100/1000BASE-T ports (PoE models), 2 10/100/1000BASE-T ports, and 2 SFP ports.
