

High-quality cable tray manufacturer in Sierra Leone

Summary of Content

There are at least three notable cable tray manufacturers operating in Sierra Leone.

Sierra Leone hosts several manufacturers that supply a wide range of cable trays for residential, commercial, and industrial applications. Brilltech Engineers Pvt. Ltd is a leading manufacturer offering products such as electrical cable trays, ladder cable trays, PVC cable trays, mild steel trays, perforated trays, and stainless steel trays, with a focus on customized solutions and quality assurance . Another key player is Micro Sheet Crafts, which provides modular and durable cable tray solutions, emphasizing high-grade materials and customized packing to meet client specifications . Additionally, Cable House, established in 1983, manufactures and supplies cable trays along with related products like cable ties, crimping tools, and industrial connectors, catering to both national and international markets . These manufacturers are recognized for their quality, reliability, and ability to deliver tailored solutions. While the exact total number of cable tray manufacturers in Sierra Leone is not publicly documented, these three companies represent the primary and most prominent suppliers in the country. For businesses or individuals seeking cable tray solutions, contacting these manufacturers directly can provide information on product availability, customization options, and pricing.
