

How much does galvanized cable tray cost in Jamaica

Summary of Content

Galvanized cable trays in Jamaica are generally considered cost-effective, but exact prices vary by type, size, and supplier.

Cost Overview

Galvanized cable trays, particularly hot-dip galvanized ladder types, are priced based on standard lengths (typically 2.4 meters) and fittings per unit . While exact Jamaican prices are not publicly listed online, these trays are affordable relative to their durability and long lifespan, making them a cost-efficient choice for electrical installations . Wire mesh or ladder-style trays are commonly used and require minimal maintenance, further reducing long-term costs .

Factors Affecting Price

- Tray Type: Ladder, perforated, or wire mesh designs can influence cost.
- Material Thickness: Heavier gauge steel or thicker galvanization increases price.
- Length and Width: Standard lengths are 2.4 meters, but custom sizes may cost more.
- Fittings and Accessories: Elbows, tees, and supports are priced per piece .
- Supplier and Delivery: Local suppliers like Brilltech Engineers and Jeetmull Jaichandlall offer competitive pricing, but contacting them directly is recommended for accurate quotes .
