

Huawei 36-port Aggregation Switch

Overview

CloudEngine S6750-H series 100GE switches are Huawei's next-generation enterprise-class core and aggregation switches that offer 36 x 100GE optical ports. Performance enhancements include advanced processing hardware, 10 Gbit/s uplink ports, and large MAC address and. We ship this product only to European Union countries and Switzerland! Huawei S6750-H36C is an enterprise-class switch from the CloudEngine family, equipped with a total of 36 QSFP28 slots, each supporting bandwidths of up to 100 Gbps. It stands out with an exceptionally high switching capacity of. The Huawei S5720-36C-EI-28S-AC is a high-performance Layer 3 Gigabit Ethernet switch designed for enterprise campus networks and data centers. It offers 28 Gigabit SFP ports, including 4 combo 10/100/1000BASE-T ports, and 4 10 Gigabit SFP+ uplink ports, providing flexible deployment options.
