

Indian Galvanized Cable Tray Manufacturer

Summary of Content

Top Indian suppliers of galvanized cable trays include ELCON Group, Super Steel Industries, KP Green Engineering, and Balaji Metal Perforators, known for quality, durability, and compliance with industrial standards.

Leading Suppliers

ELCON Group is a veteran in cable management solutions with over 34 years of experience, offering ladder and perforated cable trays with a focus on high-quality fabrication and timely delivery . Super Steel Industries specializes in galvanized steel cable trays designed for heavy loads and industrial durability, emphasizing corrosion resistance and long-term performance . KP Green Engineering provides a wide range of perforated and ladder-type galvanized trays, with customization options for thickness, width, and length. They have in-house galvanizing facilities and comply with international standards, making them suitable for industrial, commercial, and infrastructure projects . Balaji Metal Perforators is highly rated on IndiaMART for quick response and reliable service, offering galvanized cable trays suitable for bulk orders and industrial applications . Other notable suppliers include Sunil Engineering Corporation, Sharda Cable Trays Pvt Ltd, PATNY Systems Pvt Ltd, and Indmark Formtech Pvt. Ltd., all recognized for quality manufacturing, customization, and timely delivery .

Key Considerations

When selecting a supplier, consider:
