

Intelligent Export Quotation for Fiber Optic Connectors

Summary of Content

An intelligent export quotation for fiber optic connectors combines accurate pricing, shipment details, HS codes, and market insights to attract international buyers and optimize trade.

Key Components of an Export Quotation

- Product Details
 - Specify the type of fiber optic connector (e.g., LC, SC, ST, MPO) and technical specifications such as single-mode or multimode, insertion loss, return loss, and material.
 - Include part numbers, barcodes, and modular design features if applicable, as these are often required by buyers for verification and compliance .
- Pricing Structure
 - Provide FOB (Free on Board) or CIF (Cost, Insurance, Freight) pricing depending on buyer preference.
 - Include unit price, total quantity, and currency.
- Consider regional market trends: for example, European and North American markets may have different pricing expectations due to tariffs, shipping costs, and local demand .
- Shipment and Logistics
 - Specify port of origin, estimated delivery time, and shipping method (air, sea, or express).
