

Intelligent remote control switch for distribution box

Summary of Content

Intelligent remote control switches allow you to monitor, control, and manage distribution boxes remotely via WiFi, 4G, or cloud platforms, enhancing safety, energy efficiency, and convenience.

Consumer-Grade WiFi Circuit Breakers

Products like the Fafeicy WiFi circuit breaker provide remote control of household distribution boxes. Key features include:

- Remote control via WiFi from anywhere in your home
- Rated currents from 6A to 63A, suitable for various household circuits
- Protection standards: GB10963.1, IEC60898-1, IP20
- Built-in touch sensing chip to prevent false triggers and electromagnetic interference
- Energy-saving magnetic holding mechanism that does not require constant voltage to the coil
- Mechanical life exceeding 10,000 operations These devices are ideal for home automation and DIY enthusiasts looking for affordable, easy-to-install solutions.

Industrial and Professional Smart Switchgear

For larger or industrial installations, ABB smart switchgear offers:

- Remote monitoring and management of electrical distribution
