

Ireland Fiber Optic Patch Cord Factory

Summary of Content

Ireland hosts several specialized manufacturers of fiber optic patch cords, offering custom lengths, high-quality testing, and rapid delivery for both standard and non-standard configurations.

Key Manufacturers

Fibretec manufactures fiber optic patch cords directly in Ireland, allowing for quick lead times on custom lengths and configurations. All patch cords are fully tested before shipping to ensure reliable performance, and the company can accommodate next-day or 2-3 day courier delivery options for urgent orders (Fibretec) .

Cablemonkey produces singlemode and multimode fiber patch leads in-house, with 100% testing and certification to meet high standards for datacomms and CATV applications. Their facility supports a wide range of connector types, including LC, ST, SC, MTRJ, and FC, and fiber types from OM1 to OM4 and OS1. Custom orders are available, and all leads are performance-tested to ensure maximum network speed and reliability (Cablemonkey) . SPEED Electronics in Ennis specializes in duplex fiber patch cables and custom cable assemblies. They provide solutions for high- and low-temperature environments and offer customer-specific wiring options, supporting both standard and specialized industrial applications (SPEED Electronics) .
