

Kazakhstan Waterproof Distribution Box Company

Summary of Content

Kazakhstan has several manufacturers and suppliers of high-quality waterproof distribution boxes, including local producers and international exporters serving industrial and urban infrastructure projects.

Key Manufacturers and Suppliers

1. Yueqing Suian Electric Co., Ltd. Although based in China, Yueqing Suian Electric is a major exporter of electric distribution boxes to Kazakhstan. They provide modular, scalable, and smart-grid compatible distribution boxes suitable for industrial, commercial, and renewable energy projects. Their products comply with international standards and certifications, making them ideal for large-scale infrastructure and urban electrification projects in cities like Nur-Sultan and Almaty (Web result). 2. ZCEBOX ZCEBOX specializes in IP65 and IP66 rated waterproof distribution boxes for outdoor and industrial applications. Their products are CE and RoHS certified, ensuring durability and compliance with international safety standards. They also offer custom solutions tailored to specific project requirements (Web result). 3. WZMDBOX WZMDBOX manufactures and exports plastic waterproof distribution boxes with integrated molding for superior sealing and durability. Their products are designed for outdoor and industrial use, providing excellent waterproof performance and long-term reliability (Web result). 4. Wenzhou Huaya Electric Co., Ltd. Huaya Electric provides PVC and high-density plastic junction boxes with high IP ratings and impact resistance, suitable for Kazakhstan's extreme climates and industrial sectors such as mining, oil, and gas. Their products meet ISO9001, UL, and ETL certifications, ensuring international-grade quality and safety (Web result).
