

Kuwait U-shaped cable tray manufacturer

Summary of Content

Bahman Group, Alnafaa Group, EBOMAC, and Almeer Industries are leading suppliers of cable trays, including U-shaped designs, in Kuwait.

Key Manufacturers

1. Bahman Group Located in Shuwaikh Industrial Area, Bahman Group operates one of the largest cable tray manufacturing facilities in Kuwait. They produce GI (galvanized iron) cable trays, ladders, and trunking, including U-shaped trays, for local projects and infrastructure. Their products are approved for use in government projects, hospitals, and Kuwait University construction projects, ensuring compliance with local standards and high-quality manufacturing . 2. Alnafaa Group Alnafaa Group specializes in FRP/GRP cable trays and ladders, offering corrosion-resistant, fire-retardant, and UV-resistant solutions. They manufacture a wide range of cable trays, including ladder and perforated types, with various fittings such as bends, tees, reducers, and coupler plates. Their U-shaped trays are suitable for industrial and chemical environments due to their high strength, electrical insulation, and chemical resistance . 3. EBOMAC EBOMAC provides metal cable trays along with medium and low voltage switchgear. They offer tailor-made solutions for cable management, including U-shaped trays, and have certifications from independent testing laboratories. EBOMAC emphasizes local support and compliance with Kuwait's electrical standards, making them a reliable choice for industrial and commercial projects . 4. Almeer Industries Almeer Industries designs and manufactures high-quality cable trays for commercial and industrial construction. Their systems are suitable for flexible wiring layouts, allowing easy installation and future modifications. While specific U-shaped trays are part of their product range, they focus on providing durable and technologically advanced cable management solutions .
