

Lao network cabinet manufacturers

Summary of Content

While Laos has limited local network cabinet manufacturers, Chinese suppliers like Gcabling, Leo Network, Ship Group, and OTSCable provide high-quality network cabinets suitable for the Lao market.

Leading Manufacturers

1. Gcabling Electronic Gcabling specializes in server racks and network cabinets, offering floor and wall-mounted cabinets with OEM/ODM customization. They provide data center solutions and can design personalized cabinet systems to meet specific requirements, making them suitable for enterprises in Laos seeking tailored solutions (Gcabling.com), . 2. Leo Network Leo Network has over 21 years of experience in network cabinet manufacturing. Their products include wall mount cabinets, floor cabinets, and cold aisle containment solutions, all compliant with UL certification. They emphasize strict quality control and after-sales support, which is valuable for international clients (Leonetworkgroup.com), . 3. Ship Group Ship Group offers a wide range of server cabinets, wall-mounted cabinets, and racks, with an annual production capacity of 100,000 pieces. They provide OEM/ODM services and global shipping, making them a reliable option for Lao businesses needing large-scale or customized network cabinets (En.shipgroup.net), . 4. OTSCable OTSCable manufactures standard 19", 21", and 23" racks, including custom sizes with tool-less shelves. Their cabinets are designed for telecom, datacom, and enterprise networks, offering flexibility and cost-effective solutions for international clients (Otscale.com), . 5. Sunpln Sunpln provides modular data center infrastructure, including server racks, wall mount racks, and open rack frames. They offer multiple specifications per model to meet diverse customer requirements, suitable for both small and large-scale deployments (Sunpln.net), .
