

Malta PTT Industrial Switch Manufacturer

Summary of Content

Malta has several suppliers and distributors of industrial switches, including ETI via AJ Electric, FIN Automation Malta, ESS, and FBP Malta, offering PTT and other industrial-grade switches.

Key Suppliers and Offerings

- 1. AJ Electric – ETI Products** AJ Electric supplies a wide range of industrial switches and protection devices from ETI, including MCBs, residual current devices, NV/NH fuse-links, switch disconnectors, and overvoltage protection devices (ETITEC). Their portfolio also includes ETIBREAK power circuit breakers, ETICON contactors, and plug-in terminals, suitable for industrial installations and distribution cabinets. ETI products are known for high-quality protection and reliability in industrial environments .
- 2. FIN Automation Malta** FIN Automation Malta offers a broad range of switches and controls for industrial applications, including rocker, toggle, pushbutton, rotary, and miniature switches. They also provide hydraulic-magnetic, thermal, and ground fault circuit breakers, which are suitable for OEMs and industrial automation systems . Their products are recognized for performance and reliability in demanding industrial settings.
- 3. ESS – Switchgear and Automation Solutions** ESS distributes medium-voltage and low-voltage switchgear, including circuit breakers, switchboards, and motor control centers. They offer solutions from Schneider Electric, including metal-clad and metal-enclosed MV switchgear with vacuum circuit breakers and fusible interrupter switches. ESS also provides PLC and SCADA integration, enabling industrial automation and remote monitoring, which can complement PTT and other control switches in complex industrial systems
