

Nauru Optical Cable Manufacturer

Summary of Content

Nauru's primary optical cable supplier is the Nauru Fibre Cable Corporation (NFCC), supported by international fiber optic manufacturers and distributors.

Local Supplier: Nauru Fibre Cable Corporation (NFCC)

The Nauru Fibre Cable Corporation (NFCC) is the leading telecommunications infrastructure provider in Nauru, offering high-speed internet and fiber-optic connectivity across the island . NFCC manages major projects such as the East Micronesia Cable Project (EMCP), which connects Nauru to the broader Pacific region, ensuring reliable, high-capacity internet for businesses, government agencies, and residents . NFCC provides both fiber optic cables and related installation services, making it the primary local source for optical cable solutions.

International Suppliers Serving Nauru

Several international companies supply fiber optic cables that can be imported to Nauru:

- ETK Kablo: A Turkish manufacturer of fiber optic and low-voltage communication cables, serving over 120 countries .
- Klaus Faber AG: A European distributor with extensive inventory of fiber optic cables and connectivity components .
- Eland Cables: Offers a wide range of single-mode and multi-mode fiber optic cables for indoor and outdoor installations, including fire-resistant and customized solutions .
