

Netlink Industrial Switch PoE

Overview

8 ports Industrial PoE switch supporting 8x 10/100/1000Base TX PoE ports. The products comply with FCC, CE and ROHS standards. IND-G080GP has a working temperature of - 40°C ~ 85°C, has super firmness, can adapt to various harsh environments, and can also be conveniently placed in. Entdecken Sie unseren hochwertigen industriellen PoE-Switch für zuverlässige Netzwerklösungen. Ideal für raue Umgebungen mit Power over Ethernet (PoE) Technologie. Robust, effizient und perfekt für industrielle Anwendungen. JetztIn addition to transmitting network data, a PoE Switch has a built-in Power over Ethernet injector to supply up to 100W Power over Ethernet (PoE) to standards-based 802.3bt compliant devices such as IP cameras, VoIP phones, and wireless access points. Perfect for powering IP cameras and wireless access points, our switches feature POE+ ports and fiber connectivity for reliable, high-speed network performance in demanding. The Comxus 8 Port Industrial-Grade Managed PoE Network Switch with 2 SFP Ports is a robust and intelligent networking solution designed for modern industrial environments where reliability, security, and continuous uptime are critical.
