

New and cost-effective fiber optic installation materials in Oman

Summary of Content

Oman offers a range of affordable and high-quality fiber optic materials, including cables, termination boxes, splicing tools, and structured cabling solutions from local suppliers and manufacturers.

Fiber Optic Cables and Accessories

For cost-effective installations, consider single-mode and multi-mode fiber optic cables from local manufacturers such as Oman Cables Industry (SAOG), which produces high-quality cables suitable for both commercial and residential networks . Suppliers like ABS provide a full range of accessories including termination boxes, joint closures, ODFs, chambers, pipes, and warning tapes, which are essential for protecting and organizing fiber networks . Modern Peace Company also distributes fiber optic connectors, cable assemblies, and consumables from major brands like Huber Suhner and Fitel, offering competitive pricing and ready stock for faster project completion .

Installation Tools and Equipment

Efficient and cost-effective installation requires proper tools. Key equipment includes fiber cleavers, OTDRs, power meters, fusion splicers, visual fault locators, and PON meters. Companies like ABS and Modern Peace Company provide these tools, including rental options for short-term projects, which can significantly reduce upfront costs .
