

Niger Lighting Standard Distribution Box Manufacturer

Summary of Content

FEMBOSCO Engineering Limited and Brilltech Engineers Pvt. Ltd. are key manufacturers and distributors of lighting and distribution boxes in Niger.

FEMBOSCO Engineering Limited

FEMBOSCO Engineering Limited, established in 1995, operates in Lagos and Abuja and specializes in lighting and lighting management solutions, as well as distribution panels for industrial and commercial projects . The company provides engineering services, technical support, and high-quality industrial products, leveraging over 25 years of experience in the sector . They focus on innovative, safe, and reliable electrical solutions suitable for building projects, manufacturing industries, thermal stations, and oil industries .

Brilltech Engineers Pvt. Ltd.

Brilltech Engineers Pvt. Ltd. is a prominent ACB distribution panel manufacturer in Niger, offering a wide range of electrical panels including LT distribution panels, load management panels, outdoor power panels, marshalling panels, and power control panels . They operate an in-house manufacturing unit with modern machinery and precision tools to ensure high-quality production. Brilltech also provides related products such as transformers, bus ducts, electrical cables, and generator sets, making them a comprehensive supplier for electrical infrastructure needs .
