

Nigerian Electric Suspended Platform Distribution Box Manufacturer

Summary of Content

Reliable Electrics Limited and other Nigerian suppliers provide high-quality electric distribution boxes suitable for suspended platforms.

Key Manufacturers and Suppliers

- **Reliable Electrics Limited** Based in Nigeria, Reliable Electrics offers a range of distribution boxes, including SPN (Single Pole & Neutral) and TPN (Triple Pole & Neutral) models. Their products are designed for safe, organized, and efficient power distribution, suitable for both single-phase and three-phase electrical systems .
- **Fembosco Engineering Limited** Operating in Lagos and Abuja, Fembosco specializes in industrial electrical solutions, including distribution systems. They provide engineering support, technical services, and high-quality materials for electrical installations, making them a reliable partner for suspended platform projects .
- **Collective Power** This company focuses on prefabricated electrical substations and modular solutions, including distribution boards and medium/low voltage switchgear. Their products enhance installation efficiency and are suitable for commercial and industrial suspended platform applications .
- **Other B2B Platforms** Trade directories like TradeFord and Okorder.com list multiple Nigerian suppliers of suspended platforms and related electrical distribution equipment. These platforms allow buyers to request quotations, compare suppliers, and access technical support for project-specific needs .
