

Norwegian Optical Cable Company

Summary of Content

Key Norwegian companies in the fiber optic sector include Max. Fiberworks, Smartoptics, T&G Elektro, Norsk Fiberoptikk, Foss Fiber Optics, and Nexans Norway.

Notable Companies

Max. Fiberworks specializes in a wide range of fiber optic cables and solutions, offering development, delivery, and testing services for fiber networks, making it a key player in Norway's optical cable market . Smartoptics provides innovative optical networking solutions, including optical transceivers and scalable, flexible systems suitable for telecom and data networks . T&G Elektro focuses on custom connection solutions and manufactures fiber optic cables for sectors such as defense, aerospace, telecom, and energy, highlighting their versatility in specialized applications . Norsk Fiberoptikk has been operating since 2001 and offers comprehensive fiber optic solutions and infrastructure services, serving both small and large-scale projects across Norway . Foss Fiber Optics is a long-established company (since 1984) providing fiber optic infrastructure for transport networks, data centers, industrial buildings, defense, and offshore applications. They manufacture standard and custom cables, connectors, and Plug & Play solutions tailored to demanding environments . Nexans Norway is a leading supplier of power, telecom, and installation cables, including offshore control and high-voltage submarine cables. With multiple factories in Norway, they provide local support and expertise for fiber optic and hybrid cable solutions . These companies collectively cover a broad spectrum of fiber optic needs, from standard telecommunications cabling to specialized industrial and defense applications, reflecting Norway's strong presence in the optical cable industry.

Article Content

Nexans

Nexans Norway AS is the leading supplier of power, telecoms, installation and heating cables in Norway, and is a world leader in

Foss Fiber Optics

Foss Fiber was established in 1987 and since then has become one of the largest manufacturers of fiber optic solutions in Norway.

Top Fiber Optic Cable Manufacturers in Norway

The company, NextGenTel, provides internet and TV services through fiber optic cables and wireless broadband across Norway,

T& G

Leading Norwegian Supplier T& G is a leading manufacturer and distributor of connectivity solutions including cables, harnesses,

Top Fiber Optic Cable Manufacturing Companies in Norway

Discover all relevant Fiber Optic Cable Manufacturing Companies in Norway, including Fiberworks AS and Fiberworks

Foss Fiber Optics AS

Velkommen til Foss Fiber Optics Siden 1984 har Foss vært markedsleder innen fiberoptisk infrastruktur, med systemer som dekker

Fiberoptic Cables and Components

Products for fiberoptic networks and high speed communication systems.

Forside

Vi leverer alt innen fiberoptiske løsninger og infrastruktur. Vi var blant de første i landet til å virkelig satse på fiberoptikk da vi startet

discoverIE Group plc

FOSS is one of the largest specialists for fibre optic assemblies in Norway and in Slovakia. Since 1984, FOSS has delivered fibre
