

Outdoor power distribution box component manufacturers

Summary of Content

Leading manufacturers of outdoor power distribution boxes include Weisho Electric, J&HW Group, DOHO Electric, and several specialized Chinese suppliers offering weatherproof, customizable, and certified solutions.

Key Manufacturers and Suppliers

Weisho Electric Co., Ltd. specializes in high-quality electrical solutions, including cable distribution boxes for outdoor and underground power systems. Their products are compact, weatherproof, and compliant with international standards such as UL, IEC, and ANSI, suitable for industrial, commercial, and utility applications. J&HW Group provides IP65-rated outdoor power distribution boxes designed for harsh environments like construction sites, renewable energy projects, and marine applications. Their enclosures feature corrosion-resistant materials, integrated circuit breakers, and flexible configurations for bulk or custom orders. DOHO Electric is a major Chinese manufacturer offering a wide range of distribution boxes for solar, wind, data centers, communications, and new energy vehicles. They provide both standard and bespoke solutions, with products tested and certified by UL, CSA, TUV, and CE. DOHO emphasizes in-house design, production, and quality control, along with OEM/ODM services. Other notable suppliers include Yueqing Beigang Industrial, Guizhou Detai Electric, and Shenzhen YSY Electrical Equipment, which offer metal and fiberglass enclosures, modular designs, and IP-rated waterproof and dustproof solutions. These companies often accept custom sizes and branding, catering to industrial, commercial, and residential applications.
