

Palestinian Explosion-Proof Distribution Box Manufacturer

Summary of Content

Currently, there is no widely documented Palestinian-based manufacturer of explosion-proof distribution boxes, but regional suppliers in the Middle East and North Africa can provide certified Ex-proof solutions.

Regional Alternatives

- WAROM Technology MENA FZCO Based in the UAE, WAROM offers a comprehensive range of explosion-proof distribution boxes and enclosures, along with switches, control equipment, and motor switchgear. They provide customization, technical support, assembly, and quality control, making them a strong regional partner for hazardous area electrical solutions .
- Jireh Energy Solutions LLC Operating from the UAE, Jireh Energy Solutions supplies ATEX, IECEx, and UL-certified explosion-proof electrical components, including junction boxes, local control stations, and switches. Their products are designed for oil & gas, petrochemical, and industrial facilities across the Middle East .
- Helon Gulf Electrical Co., Ltd. Helon Gulf is a professional manufacturer of Ex-proof, ATEX, and IECEx-certified products, serving industries such as oil & gas, petrochemicals, mining, and shipbuilding. They offer a wide range of explosion-proof distribution boxes and technical support for regional and international clients .

Key Considerations When Sourcing

- **Certifications:** Ensure the distribution boxes are certified to ATEX, IECEx, or UL standards for compliance in hazardous environments.
