

Price List for Optical Cable Splicing Equipment

Summary of Content

Fiber optic splicing equipment prices range from approximately \$400 for basic fusion splicers to over \$6,000 for high-precision, fully automatic models.

Price Overview

- **Entry-Level Fusion Splicers:** Basic models suitable for small-scale or budget-conscious projects typically start around \$400–\$800. These machines offer standard core alignment, moderate battery life, and basic splice success rates (Amazon, Splicemarket) .
- **Mid-Range Fusion Splicers:** Machines designed for field deployment with multi-language support, faster splice times, and improved environmental resistance are priced between \$1,200–\$3,000. Examples include the Ai-5/Ai-6 series, which are optimized for FTTH and FTTX networks (Accio) .
- **High-End Precision Splicers:** Laboratory-grade or fully automatic splicers with ultra-low splice loss (
