

Price of 3-in-3-out fiber optic junction box

Summary of Content

The price of a 3-in-3-out fiber optic junction box typically ranges from \$15 to \$30 per unit, depending on brand, material, and seller.

Online Retail Options

- Amazon: The Poyiccot 3-in-3-out fiber optic terminal box, made of rigid PVC with waterproof and dustproof features, is available for around \$18-\$25 per unit, depending on shipping and seller promotions .
- eBay: Prices vary widely, with similar 3-in-3-out fiber junction boxes listed between \$15 and \$30, often including fast shipping and occasional discounts .

Wholesale and Bulk Pricing

- Made-in-China: Wholesale prices for fiber optic junction boxes, including 3-in-3-out models, start at approximately \$12-\$20 per unit for bulk orders, with pricing influenced by order quantity and customization options .
- Alibaba: Offers competitive quotes for IP65-rated waterproof fiber optic junction boxes, with 3-in-3-out configurations typically priced around \$10-\$25 per unit for larger orders, depending on material (ABS/PC) and shipping terms .

Key Considerations

- Material: PVC or ABS/PC enclosures provide durability and weather resistance.
- Waterproofing: IP65-rated boxes protect against dust and water ingress, important for outdoor installations.
