

Price of Aluminum Square Tube Cable Tray

Summary of Content

Aluminum square tube cable trays typically range from \$10 to \$50 per meter, depending on size, thickness, and supplier.

Pricing Overview

Aluminum cable trays, including square tube designs, are available from multiple suppliers with prices influenced by dimensions, load capacity, and customization options. Standard trays for light to medium-duty applications generally start around \$10–\$20 per meter, while heavy-duty or larger trays can cost \$30–\$50 per meter. Bulk orders or OEM customization may further affect pricing .

Factors Affecting Price

- **Material Thickness:** Thicker aluminum provides higher load capacity but increases cost.
- **Tray Width and Height:** Larger cross-sections require more material, raising the price.
- **Perforation or Solid Design:** Perforated trays are slightly more expensive due to manufacturing complexity.
- **Supplier and Shipping:** International suppliers may offer lower base prices, but shipping and import duties can add to the total cost .
