

Price of Distribution Box Panel

Overview

New panel box pricing typically ranges from about \$150 to \$1,900 for parts and labor, with most residential projects landing between \$450 and \$1,500 depending on amp rating, gauge of wiring, and labor complexity. Understanding distribution box cost is essential for businesses and property owners planning electrical installations or upgrades. A distribution box, also known as an electrical distribution board or panel, serves as the central hub for managing and distributing electrical power throughout a building.
