

Price of Fixed Fiber Optic Cable Wall Mounting

Summary of Content

Fiber optic wall mount enclosures typically range from \$30 to over \$500 depending on size, capacity, and features.

Price Range Overview

- Small indoor wall mount boxes for single-mode or multimode fiber, such as LC coupler enclosures, are available on Amazon for around \$30-\$60 . These compact units are suitable for network rooms or IDF rooms and support 6-strand fiber connections.
- Medium to large enclosures from brands like CommScope or Corning, which support multiple panels, cassettes, or modules, generally range from \$150 to \$400 . These units offer enhanced features like strain relief, port labeling, and interconnect or cross-connect capabilities.
- Outdoor or high-capacity wall mount cabinets, such as SMP's OC Series with 48-144 port or splice capacity, can cost \$300-\$500+ depending on durability, modularity, and weatherproofing . These are designed for outside plant functionality and provide secure, lockable enclosures.

Factors Affecting Price

- Capacity: More ports, splice trays, or panels increase cost.
- Indoor vs Outdoor: Outdoor-rated enclosures are weatherproof and more expensive.
