

Price of Polish Communication Optical Modules

Overview

Price bands for standard-grade PON Modules in Poland range from approximately €12–€28 per unit for GPON transceivers, while premium XGS-PON and industrial-grade modules trade at €45–€90, reflecting technology generation and compliance certification costs. This outpaces broader EU electronics demand growth by a factor of nearly two. The market remains heavily import-dependent, with over. Product Specifications/Features SFP Optical Transceivers are hot-swappable, compact media connectors that provide instant fiber connectivity for your networking gear. It provides the SC.
