

Price of electrical distribution boxes for construction in West Africa

Summary of Content

Electrical distribution boxes for construction sites in West Africa typically range from \$50 to \$500 depending on type, capacity, and supplier.

Overview of Distribution Boxes

Electrical distribution boxes, also known as DB boards or distribution boards, are essential for safely distributing electricity across construction sites. They come in various types:

- **Populated DB Boards:** Pre-wired with circuit breakers, suitable for immediate installation. Example: 12-way flush-mount boards for medium-scale sites.
- **Unpopulated DB Boards:** Empty enclosures allowing custom wiring, often used for larger or specialized projects.
- **Pole Boxes and Split Meter Boxes:** Used for outdoor or multi-unit construction setups. Voltage ratings typically range up to 690V, suitable for both residential and commercial construction needs .

Price Ranges

Based on supplier data and regional market trends:

- **Small 4-6 Way DB Boards:** \$50-\$120
- **Medium 12-18 Way Populated Boards:** \$150-\$300
