

Price of floating optical cable in Nepal

Summary of Content

Floating optical fiber cables in Nepal are available from local suppliers, with prices generally starting around NPR 200-500 per meter depending on type and specifications.

Overview of Pricing

Floating optical cables, often used for water crossings or outdoor installations, are a specialized type of fiber optic cable. In Nepal, online retailers like Daraz and ITShop Nepal list fiber optic cables at competitive prices, typically ranging from NPR 200 to NPR 500 per meter for standard single-mode or multi-mode cables, with prices increasing for armored or specialized floating variants .

Suppliers and Availability

- Daraz Nepal offers a wide variety of fiber optic cables suitable for different applications, including outdoor and industrial use .
- ITShop Nepal provides optical fiber cables and accessories with detailed pricing for different cable types and lengths .
- Technovate International Pvt. Ltd specializes in end-to-end fiber optic solutions for ISPs and cable operators, importing high-quality cables directly from manufacturers, which may include floating or water-resistant cables .

Factors Affecting Price

- Cable Type: Single-mode cables are generally cheaper than multi-mode or armored floating cables.
- Length: Bulk purchases or longer cable rolls reduce the per-meter cost.
