

Price of power distribution box enclosure assembly

Overview

New panel box pricing typically ranges from about \$150 to \$1,900 for parts and labor, with most residential projects landing between \$450 and \$1,500 depending on amp rating, gauge of wiring, and labor complexity. It is an engineered low voltage power distribution system. The final price depends on rated current, outgoing circuit count, breaker brand, monitoring level, cabinet size, cable entry design, ventilation, IP rating, and customization requirements. For. Can I order custom or OEM power distribution boxes in bulk from the factory?
