

Prices from Singapore Galvanized Cable Tray Manufacturers

Summary of Content

Galvanized cable trays in Singapore typically range from S\$20 to S\$150 per meter, depending on material, duty rating, and supplier.

Price Overview

Galvanized cable trays are available in hot-dipped galvanized (HDG) or GI zinc-plated steel, with pricing influenced by tray width, load capacity, and coating type . Light-duty trays (13mm) are generally at the lower end of the price range, while medium-duty (25mm) and heavy-duty trays (50mm and above) cost more due to higher material strength and load capacity .
