

Provide a quote for fiber optic splice boxes

Overview

Can't find what you are looking for?

Call (321) 473 8933 or E-mail for a Quick Quote. Discover a diverse range of splice closures. Splice boxes and splice distributors are essential for a reliable fiber optic cabling system and serve as a connecting point between the fiber optic installation cable and the in-house network. High quality components ensure a secure and stable operation. With their compact and uniform design, the splice boxes for both the DIN rail and 19" mounting provide ample interior space for the secure connection of fiber optics. Our extensive selection includes both vertical and horizontal splice closures, as well as IP68-rated 5G splicing boxes. The Super Tap™ series of fiber enclosures provide a plug and play tap designed with IP-68 and GR-771 ratings.
