

Request for renewal of fiber optic network license

Overview

All FOA certification renewals are \$100 for 3 years. You can also download the FOA certification renewal form if you prefer to mail, email or fax it to the FOA at. If you want to pay by check or money order, download this form to mail or email to FOA with your payment. To qualify, you must still be active in fiber optics and your certification must not have. This renewal covers all your FOA certifications. Note: we must have a permanent personal email for your new online credential and renewal notifications! If your email changes notify the FOA. Note: All new and renewal FOA Certifications receive online certification credentials. For those wanting to learn more about specialized fiber optic applications or who wish to develop greater skills in the process of fiber optic installation, FOA offers specialist training and. Free online self-study programs on many fiber optics and cabling topics are available free at Fiber U, FOA's online web-based training website. FOA Reference Books (Available Printed or eBooks) The fiber book is available in Spanish and French as well as English. You are just about ready to take the exam and pay for renewal.
