

Seeking suppliers of electrical distribution boxes in Madagascar

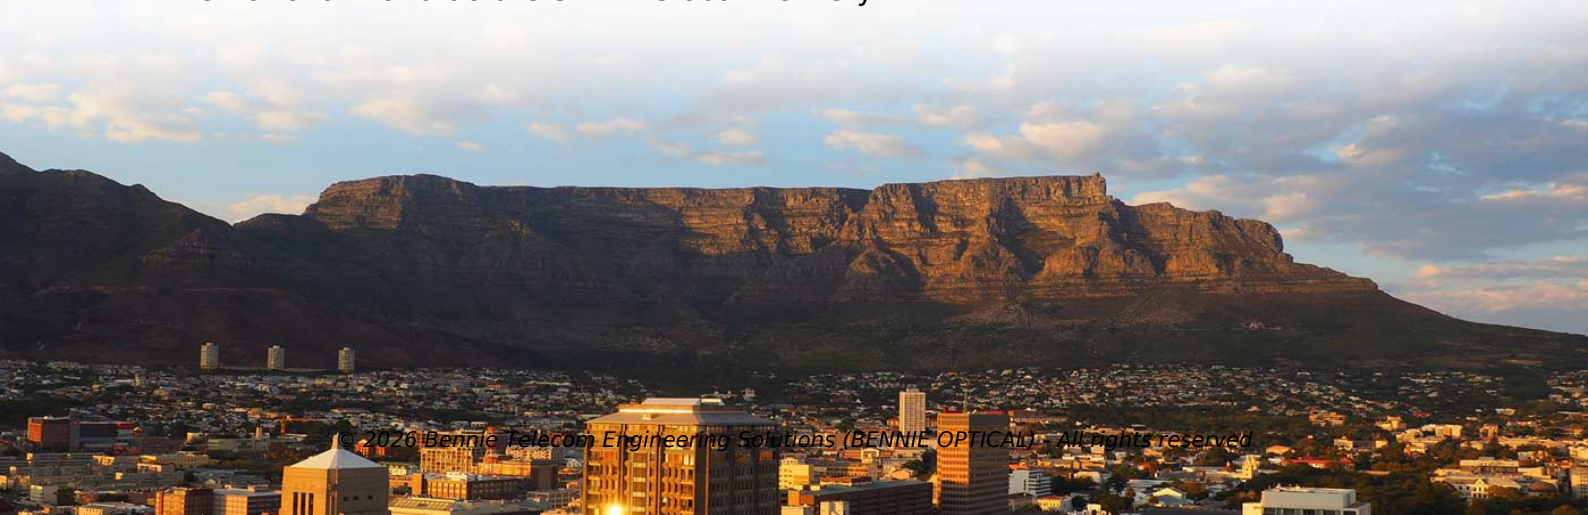

Summary of Content

Key electrical distribution box providers in Madagascar include Elec-plus Madagascar, Batpro Madagascar, and Electricity Store by Q.Razafimalala.

Local Manufacturers and Suppliers

Elec-plus Madagascar is a Malagasy company established in 1993, specializing in the sale, installation, and maintenance of electrical equipment, including distribution boxes. They offer professional services for both residential and commercial projects, ensuring quality and compliance with local standards (Elec-plus Madagascar) . Batpro Madagascar is a leading distributor of industrial and construction materials in Madagascar. While primarily focused on building supplies, they also provide electrical equipment, including distribution boxes, catering to large-scale construction and industrial projects (Batpro Madagascar) . Electricity Store by Q.Razafimalala partners with major brands like Legrand, Igelec, and Hager to supply high-quality electrical products, including distribution boxes, circuit breakers, and related components. They offer professional installation services, technical support, and customized solutions for residential and commercial clients (Electricity Store) .
