

Smart power distribution cabinet dehumidifier price

Summary of Content

Smart power distribution cabinet dehumidifiers typically range from around \$50 to \$300 per unit, depending on capacity, power rating, and features.

Price Overview

- Mini and Low-Power Models
 - Example: CS800b 60W smart mini dehumidifier for power distribution cabinets is available from multiple suppliers, with prices generally starting around \$50-\$100 per unit, depending on order quantity and supplier discounts .
 - These units are suitable for small cabinets or low-humidity environments.
- Standard Industrial Models
 - Example: Puchuan CS001 semiconductor dehumidifier features intelligent control, automatic/manual switching, and real-time monitoring. Prices for such units typically range from \$150-\$250, reflecting higher capacity, durability, and advanced features .
 - These are suitable for industrial settings, including rail-mounted or wall-mounted distribution cabinets.
- High-Performance or Versatile Voltage Models
 - Example: HCS BOH-CS60AC dehumidifier offers 0.45L/day capacity and AC/DC voltage compatibility from 11V to 240V. Prices for these high-performance units are generally around \$200-\$300, depending on supplier and additional installation requirements .
