

# South African Low-Voltage Distribution Box Manufacturer

## Summary of Content

Key manufacturers of low-voltage distribution boxes in South Africa include Distribution Boards SA, KZN Switchboards, and Golnix, offering design, manufacturing, assembly, and testing services.

### Distribution Boards SA

Based in South Africa, Distribution Boards SA (PTY) Ltd specializes in the design, manufacture, assembly, wiring, and testing of low- to medium-voltage electrical boards and switchgear panels . Their team includes ECSA-registered professionals and engineers, ensuring high-quality engineering solutions. They provide complete electrical board systems, motor control panels, and loose supply of components such as circuit breakers, isolators, earth leakage units, switches, meters, and DIN rail products. The company is ISO certified and holds a level 2 B-BBEEE status, with their products tested at the NETFA Laboratory .

### KZN Switchboards

KZN Switchboards, located in Briardene, Durban, manufactures and supplies low-voltage electrical panels and distribution boards . Their services include design, manufacturing, painting, assembly, and testing of electrical panels. They cater to the electrical industry across South Africa, providing reliable and fully compliant low-voltage solutions .

### Golnix
