

UAE Fiber Optic Sensor Manufacturer

Summary of Content

Key fiber optic sensor OEM manufacturers in the UAE include Naficon Fiber Optic Manufacturing LLC, CeramOptec, and Vacker LLC, offering both standard and custom solutions for industrial and telecom applications.

Leading OEM Manufacturers and Suppliers

1. Naficon Fiber Optic Manufacturing LLC Located in Dubai, Naficon is a major manufacturing and supply center for fiber optic products in the Middle East. It is ISO9001 certified and specializes in solutions for telecom, data centers, broadband, and FTTH networks. Naficon provides high-quality fiber optic components and assemblies, leveraging over 30 years of expertise from its parent company in Finland, making it a trusted OEM partner for regional and international clients . 2. CeramOptec CeramOptec offers custom OEM fiber optic solutions for industrial, medical, aerospace, and research applications. Their capabilities include fiber development, laser integration, and precise system assembly, covering environments from high temperature to radiation and harsh chemicals. They provide both standard optical fiber cables and fully customized fiber assemblies, ensuring precision, durability, and scalability for OEM integration . 3. Vacker LLC Vacker LLC, based in Dubai, supplies fiber optic sensors for industrial applications. They provide a range of sensors suitable for automation, detection, and monitoring in challenging environments. Vacker is known for its regional support and accessibility, making it a practical choice for companies seeking OEM or bulk fiber optic sensor solutions in the UAE . 4. QCON General Trading LLC QCON is a leading supplier and distributor of fiber optic sensors in the UAE, offering products suitable for various industrial applications. While primarily a distributor, they provide access to multiple OEM brands and can assist with quotes, specifications, and sourcing for fiber optic sensor projects .
