

Vertical cable tray support with telescopic function

Overview

Its telescopic design allows you to adjust the length for a perfect fit under any desk, giving you a fully customizable and hassle-free cable management system. Built from durable, heavy-duty steel, this cable tray is engineered to handle everything from multiple power strips to bulky. Cable trays are an integrated, highly flexible cable support system when used in combination with the matching support structures, covers and system-specific accessories. They are available in perforated (RG) or non-perforated (R) versions, in heavy-duty versions (RS/RGS), for use under sprinkler. If you are completing your purchase of a height adjustable desk or looking to retrofit one to your existing desk then this telescopic cable management tray is a must. This helps you manage all your unsightly cables and wiring for your desktop devices. There is plenty of room inside to conceal. Discover the versatile Universal Telescopic Cable Tray, the ultimate solution for a clutter free workspace. Crafted from robust steel and available in 3 colour options, it promises both durability and style. The various surface. TechLine Mfg. Supports should be located so that connectors.
