

Vertical cable trays are in stock

Summary of Content

Vertical cable trays are currently in stock and available for immediate purchase from multiple suppliers.

Suppliers and Options

- Comms Express offers the Prism FI Vertical Cable Trays, available for online purchase with free delivery, making it convenient for immediate procurement .
- Trayco provides vertical branch cable trays made from Sendzimir galvanized steel, with zinc coatings for corrosion protection and optional RAL color finishes . These are suitable for industrial and commercial installations requiring durable steel construction.
- CPC UK lists a variety of cable trays, including vertical options, with competitive pricing and stock availability for quick order fulfillment .
- Direct Channel supplies a wide range of cable tray systems, including light, medium, and heavy-duty trays with pre-galvanized or hot-dipped finishes. Their systems include accessories like couplers, bends, and risers, which are compatible with vertical installations .

Key Considerations

When selecting vertical cable trays, consider:

- **Material:** Steel (galvanized or hot-dipped) for durability, or halogen-free plastic for lightweight and corrosion-resistant applications .
- **Load Capacity:** Choose trays rated for the weight of your cables, especially for heavy power or data installations .
