

Vietnam Lighting Distribution Box Installation Manufacturer

Summary of Content

Vietnam has a robust network of distribution box manufacturers, including GEYA, SHENG SHING VIETNAM, and YURA CORPORATION, offering both standard and smart lighting distribution solutions.

Key Manufacturers and Suppliers

GEYA has collaborated with lighting factories in Ho Chi Minh City to provide complete power distribution solutions, including Miniature Circuit Breakers (MCBs), RCBOs, and WIFI-enabled smart circuit breakers. They offer fully assembled distribution boxes with detailed wiring diagrams and remote technical support for installation, making them suitable for modern office and factory lighting systems . SHENG SHING VIETNAM CO. LTD. is the leading distribution box supplier in Vietnam, accounting for 38% of the country's exports. They specialize in CN-1800S.1 distribution boxes with multiple output ports, surge protection, and noise filtering, making them ideal for commercial and industrial lighting applications . SHENG SHING and YURA CORPORATION VINA COMPANY LTD. are also major players, together covering a significant portion of Vietnam's distribution box market .

Features and Capabilities

- **Smart Integration:** Some manufacturers, like GEYA, provide WIFI-enabled breakers for real-time monitoring of energy consumption .
- **Weatherproof Design:** For outdoor lighting, especially in Vietnam's tropical climate, distribution boxes are designed to withstand high humidity, heavy rainfall, and temperature fluctuations .
